EXPERIENCE

Human Resource Intern

Basket hunt Pvt Ltd

06/2023 - 08/2023 Remote mode

Basket hunt Pvt Ltd is an startup. Founder of the organisation is Mr. Vishal kumar Gupta & Mr. Sujeet Kumar Gupta. It is an e commerce startup. Baskethunt pvt. Limited includes AI, Robotics, Cloud computing. After being successful in both line of the business they have further expanded business into basket hunt travels and basket hunt academy. Now they Started a new program that of SCHOOL OF INTERNSHIP in which I work.

- Like I am interested in Human Resource Management So I learn or Gain practical knowledge under the company.
- I take many interviews not only in Human Resource domain but also take interview in different Domains like Content Writing intern, Business Associate intern, IT & Web Developer intern.
- Also post Job Description for the organisation in LinkedIn.
- Prepare candidate data into the database of company using Hubspot platform.
- Send Email after taking interview of the candidate and making call log etc. I have done.
- Gain knowledge under Basket hunt Pvt Ltd organisation.

STRENGTHS

H Listening

Shell associate NGO come in our school and take a workshop on Listening and how to make small note or key points after hearing someone. Listening can solve many doubts and problems. Even good listening can help to reduce the barriers of Communication

m Solution Finder

Many type of workshops held in school so I learn from there. There is a technique called as Creativity. And with the hand of creativity one can easily find Solutions of any problem easily.

Energetic

Being energetic means become A flower whose smells create a positive wibe near by. And being energetic helps us to motivate ourself in stress full situation.
